

## The home of your dreams is just a reno away...

Dreaming of a bigger, brighter kitchen, a new hardwood floor or just a fresh coat of paint? Large or small, we can help you bring *your* dreams to life.

RENO Solutions has been helping Canadians breathe new life into their homes since 1996 with a small army of skilled, certified and specialized tradesmen and over 20 years of experience behind them.

### A reputation built on quality

As a general contracting firm with a focus on custom residential construction, we've built a solid reputation for only the finest quality workmanship. We proudly serve clients ranging from smaller suburban neighbourhoods to highly prestigious communities in the GTA and know exactly what it takes to make your home shine no matter how simple or grand your plans may be.

## Expert advice from start to finish

Buying a home is one of the most important investments you'll ever make, involving decisions that will effect you for years to come *especially when those decisions include some form of renovations.*

RENO Solutions takes pride in providing home buyers with excellent guidance in this area. We carefully match buyers just like you with homes that satisfy both your personal *and* financial needs.

### Building equity from day one

You can also count on us to recommend renovations that will add *the most value* to your property years down the road. So when you're ready to upgrade to your next home you'll have the equity you're building today to work with.

## The Purchase Plus Improvements Program

With the Purchase Plus Improvements Program™, everything is prearranged for you.

With our team of experts, we guide you step-by-step through the project, from the initial search up to completion, helping you achieve your investment goals with more ease that you ever could have imagined!

### Investing in your own home

The Purchase Plus Improvements Program™ works best on homes that require some degree of improvement and was tailor made for people who see their home as a place to build memories *as well as* an investment with potential for growth.

But unlike managing a home renovation on your own, this exclusive program simplifies the entire process for you allowing you to build equity into your home without the mental and financial strain you would expect to encounter.
